2 Though the two draft bye-laws have been framed under the same provision of the Act, two separate bye-laws are considered necessary as they deal with two different subjects They are based on two separate bye-laws framed by the Madras Corporation, copies of which are enclosed for reference and return Some of the provisions contained in the existing bye-laws of the Bangalore City Municipality - Chapter VIII, have also been adopted

3 The draft bye-laws relating to hotels, etc , to which the public are admitted for consumption of food or drink which are published in May 1950, were re-issued in October 1951, as certain amendments were subsequently considered necessary in respect of the license fees The draft bye-laws were approved

2. (1) Application for such licence shall—

(*a*) be made to the Commissioner in such form as may be laid down by him from time to time at least twenty-one days before the premises are opened to the public ; and

(*b*) be accompanied by a plan in duplicate showing the dimensions and the purpose or purposes for which each room and place in the premises is proposed to be used.

(2) The applicant shall also furnish such further or other particulars, as he may be required to do by the Health Officer or by the Commissioner.

3. (1) The Commissioner shall refuse to grant the licence if, in his opinion—

(*a*) the premises are unsuitable for the purpose specified in the application, or

(2) In cases not falling under clause (1), the Commissioner may grant a licence subject to such conditions and restrictions (to be specified in the licence) as he may think fit.

4. Every licence issued under these by-laws shall expire at the end of the financial year for which it is granted unless for special reasons the Commissioner considers that it should expire at an earlier date.

5. Application for the renewal of a licence shall be made to the Commissioner not later than the 1st March of the year preceding that in respect of which the renewal is applied for and shall be in such form as may be laid down by the Commissioner from time to time.

Where any such increase is sanctioned, the fact of such increase shall be communicated to the applicant who shall thereupon produce the original licence and the plan annexed thereto, to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the figures shall then be substituted in the place of the original figures in the licence.
